

It's Prom and Graduation Season, Check IDs and Keep Underage Youth Safe

It's time for prom and graduation, as an alcoholic beverage retailer, you play a key role in keeping Florida's underage youth safe. The Florida Division of Alcoholic Beverages and Tobacco invites you to join us in underage drinking prevention.

You can help us by diligently checking IDs to ensure that those purchasing alcohol are at least 21 years old.

The Florida Division of Alcoholic Beverages and Tobacco reminds you that selling alcohol to individuals under the age of 21 can result in a \$1,000 fine and a seven-day license suspension for the first occurrence. Individuals who sell or give alcohol to underage youth can be sentenced to 60 days in jail and a \$500 fine.

Help us keep underage youth safe.
